Elementary Computing Workshop

December 8th- University of Maryland

Elementary students (currently in grades 3-5) are invited to the University of Maryland for an interactive learning experience in computing, robotics, and cybersecurity! Undergraduate students will lead workshops in topics such as Python Art, Data Theory, Scratch, and Cryptography. This event will provide students with the opportunity to explore computing topics, and learn about additional resources to continue their learning.

Who: Elementary Students (currently in grades 3-5)

When: December 8th, 2018

Where: Computer Science Instructional Center (CSIC) at UMD

Time: 9:00am- 3:00pm

Cost: \$15 (includes lunch, materials, and goodie bag)

Register: <https://go.umd.edu/ElemWSFall18>
