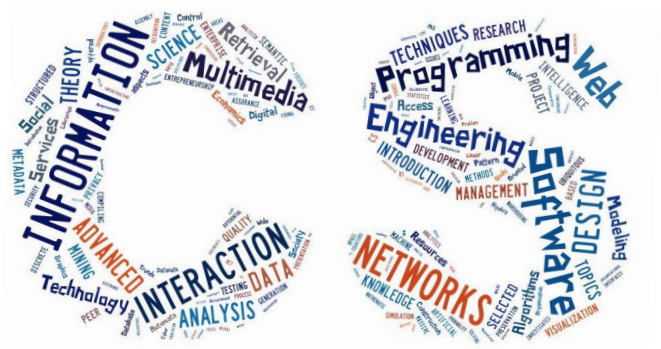
RiseUp 4



AP Computer Science A Exam Prep

Project Rise Up 4 CS helps under-represented (female, Hispanic, African American,Native American) **students pass the Advanced Placement (AP) Computer Science A** course and exam. You must be enrolled in an **AP CS A** (Java) during the 2017-2018 school year to apply.

Program Components:

- Remote one-hour help sessions twice a week (only need access to a computer with an internet connection)
- In-person help sessions with free food at the University of Maryland every month
- One-on-one online sessions taught by UMD CS Students

Program Benefits:

- Deepen your knowledge of computer science and do well in your AP CS A course
- Meet other high school students who are passionate about computing
- Chance to win a prize if you send your AP score by the end of July
